

The Pro's Choice Since 1936

SAKRETE®

Multi-Purpose Sand

A graded, washed, dried and sanitized sand for use in sandboxes, gardens, cat litter boxes, ice and snow traction or weight sand. Can also be used as base material for pavers and stepping stones.

SAFETY:

READ and UNDERSTAND the Material Safety Data Sheet (MSDS) before using this product. WARNING: Wear protective clothing and equipment. See HMIS block. For emergency information, call CHEMTREC at 800-424-9300 or 703-527-3887 (outside USA). KEEP OUT OF REACH OF CHILDREN.

USES:

- Landscaping
- Pet areas
- Traction in winter
- Between patio pavers and bricks

STORAGE:

Store in a tightly closed container off the floor in a dry place.

LIMITED PRODUCT WARRANTY

The manufacturer warrants that this product shall be of merchantable quality when used or applied in accordance with the manufacturer's instructions. This product is not warranted as suitable for any purpose other than the general purpose for which it is intended. This warranty runs for one (1) year from the date the product is purchased. ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE ON THIS PRODUCT IS LIMITED TO THE DURATION OF THIS WARRANTY. Liability under this warranty is limited to replacement of defective product or, at the manufacturer's option, refund of the purchase price. CONSEQUENTIAL AND INCIDENTAL DAMAGES ARE NOT RECOVERABLE UNDER THIS WARRANTY.

COVERAGE:

60 lbs. provides approximately 0.6 cubic feet (0.016 cubic meters) of sand, or will fill an area approximately 7 sq.ft. x 1 inch (25 mm) deep.

Length x width x depth (all in feet) will give the cubic volume. Divide the cubic volume of the area to be filled by 0.6 cubic feet. This will give the number of bags needed eg. 4 ft. long x 3 ft. wide x 4 in. (.33 ft.) deep = 4 cubic feet divided by 0.6 cubic feet gives the number of bags needed (7) in this example.

PACKAGING:

60 lb. bag (kg) - UPC: 7-64661-15060-2

ENVIRONMENTAL ADVISORY:

Uncured or crushed cement is an environmental hazard, which may adversely affect fish and wildlife. Dispose of construction debris containing cement, including empty bags, at a permitted municipal disposal firm. Do not use crushed concrete as a fill near an aquatic habitat.

WARNING: AVOID BREATHING DUST.
CONTAINS CRYSTALLINE SILICA. Prolonged exposure to crystalline silica is known to cause lung cancer or delayed lung injury, including silicosis. Take measures to eliminate or control dust. For prolonged exposure to dust, wear a respirator approved for protection against crystalline dust. **DO NOT USE FOR SAND BLASTING.**
WARNING: FIRST AID: In case of eye contact, flush with water for 15 minutes. If irritation persists, get medical attention. In case of skin contact, wash thoroughly with soap and water. If irritation persists, get medical attention. See MSDS for additional information. This product contains chemicals known to the State of California to cause cancer.
